

Commercial Guard – Semploy Extra

Policy Summary

This is a summary of the standard cover available under the Fortis Semploy Extra insurance policy. The summary does not include all the policy benefits, limits and exclusions; full terms and conditions can be found in the policy wording, a copy of which is available from your insurance agent on request. The policy, and not this summary, is the basis of the contract of insurance.

The policy is an annual insurance contract which provides covers for businesses as detailed below. It is underwritten by Fortis Insurance Limited.

This contract can cover a maximum of 10 manual/non-manual workers including labour only sub-contractors (increasing to 15 after the first renewal date). In addition, a maximum of 6 clerical workers can be covered. Multiple trades can also be accommodated under one policy.

The standard cover may be varied to meet your individual needs and any variations from standard will be detailed in any quotation given and thereafter in the policy schedule. The number of principals, partners and employees must be accurate, otherwise the validity of your cover could be affected. Refer to your insurance agent for full advice on your sums insured and cover requirements.
